

## GRANNY FLAIR SCARF

**SIZE:** Approximately 5 by 60 inches

### NOTES:

1. Read through instructions before starting.
2. The center row should measure 54 inches when completed. To adjust the length, add or subtract from the starting chain in multiples of 4. *Note: If it is longer than 54 inches you will run out of yarn.*
3. To make wider work more rounds.
4. Fasten off, turn over and change colors every round. By turning over after each round the scarf won't have a right and wrong side.
