

## Simple V-Stitch Crochet Scarf - Size: $4\frac{1}{4}$ - $4\frac{3}{4}$ inches x 60 inches

### Materials:

Crochet hooks sizes US M/N (9mm) and US N (10mm) (I crochet on the tight side so I find these sizes work best for me; if you crochet more loosely you might find that a combination of smaller sizes is better for you.)

MC (Main Color)-Worsted weight (medium, 4) yarn - 130 yards (390 feet)

CC (Contrast Color)-Worsted weight, DK, sport weight (medium, 3), or several strands of light weight yarns held together - 110 yards (330 feet)

F (Fun Fur) or novelty yarn - 20 yards (60 feet)

### Pattern:

#### 1<sup>st</sup> End:

With smaller hook and one strand of MC and F held together, chain 12.

Row 1: DC in 4<sup>th</sup> chain from hook (counts as 2 DC), and in each chain across-10DC. Chain 3, turn.

Row 2: DC in 2<sup>nd</sup> DC and each DC across, DC in top of turning chain-10DC. Chain 3, turn.

Repeat Row 2 to desired length (I find 6 rows gives a nice "look" to the finished scarf), working the last DC until 2 loops remain on the hook. Clip F (leaving several inches to

weave in later) and with one strand each of MC and CC held together, YO and pull through remaining 2 loops on hook.

### **Body:**

Row 1: Switch to larger hook and continuing with one strand each of MC and CC held together, chain 1 and turn. SC in 2<sup>nd</sup> DC and each DC across, SC in top of turning chain-10 SC. Chain 3, turn.

Row 2: (DC, chain 1, DC) in 2<sup>nd</sup> SC (V-stitch made), (skip next 2 SC, V-stitch in next SC) twice, skip next SC, DC in top of turning chain. Chain 3, turn.

Row 3: V-stitch in each chain 1 space of the previous row, DC in top of turning chain. Chain 3, turn.

Repeat Row 3 until the scarf measures approximately 56" (or 60" minus the length of the 1<sup>st</sup> end; this is usually 56-60 pattern rows, depending on the bulk of the yarns). Chain 1, turn.

Row 4: SC in both DC and chain 1 space of 1<sup>st</sup> V-stitch, SC in 1<sup>st</sup> DC of 2<sup>nd</sup> V-stitch, SC2tog over next chain 1 space and DC, SC in both DC and chain 1 space of 3<sup>rd</sup> V-stitch, insert hook in top of turning chain and draw up a loop. Clip CC (leaving several inches to weave in later) and with one strand each of MC and F held together, YO and pull through both loops-10 SC.

### **2<sup>nd</sup> End:**

Row 1: Switch to smaller hook and continuing with one strand of MC and F held together, chain 3 and turn. DC in 2<sup>nd</sup> SC and each SC across, DC in turning chain-10 DC. Chain 3, turn.

Row 2: DC in 2<sup>nd</sup> DC and each DC across, DC in top of turning chain.

Repeat Row 2 until 2<sup>nd</sup> end has the same number of rows as 1<sup>st</sup> end, fasten off. Weave in all ends.
